

1 October 2021

Dear Christian Friends,

Operation Brotherhood will again be taking place in 2021. We contacted churches to see if there was interest, and people were glad to hear from us. We combined the organizational meeting with the Pastor Henry Cooper Memorial Picnic on September 11th. Those who came enjoyed seeing old friends and having a time of food and fellowship together.

The churches are now identifying families to receive food baskets. The food baskets we provide include canned goods, potatoes and onions, and a turkey. More importantly, our food baskets include a Scripture portion or Gospel tract and a connection with a local church.

We look forward to another Thanksgiving when we can share our love of Jesus. For more than twenty-five years of Operation Brotherhood, individuals and families have been introduced to Jesus our Savior and invited to learn more about Him at a local church. With your financial support and prayers, our Lord has answered and blessed them.

We continue to reach out to those who are in need of Jesus. Will you help this year? The need is great and so are the expenses. Many items such as canned goods are donated, but Skilton House Ministries purchases all the turkeys as well as whatever else is needed to fill the food baskets. We so appreciate whatever you are able to give.

Your support is deeply appreciated.

Yours in Christ Jesus,

Jan Comanda, Treasurer
